“The Wonders of Gouache Painting” (March 10, 11)

With William Kwamena-Poh

1. Watercolor paper Arches Aquarelle 300 lb heavy cold press paper
(I prefer the surface of the 29” x 41” sheets, and they
Can be torn into smaller sheets by scoring with a knife
And ruler).
2. Brushes. (I use inexpensive brushes because gouache is harsh on
brushes). Most of the following brushes can be found at
Blick Artist Materials:
Princeton Velvet touch series #6
Princeton Select or Princeton Heritage Rounds 1-3,
and a few double Os for finer details.
Princeton Select Lunar blender ¼.
3. Gouache paints. (My preferred brands are:
Turner Design gouache, Holbein Artists gouache, and
Lukas Gouache extra-fine.)
You can find Lukas and Turner at Jerry’s Artarama.
Colors for starters: red, yellow, blue, blue-violet,
Payne’s grey, burnt sienna, raw sienna, jet black, sepia.
