Thank you for booking The Studios Key West (TSKW) for your event. We look forward to helping make your event a success. Please forward the contained information to your event planner, caterer, decoration/clean-up committee, rental company, florist, DJ, musicians and others assisting you in planning or producing your event. Please refer to the outline below in this document for detailed information.

BUILDING ACCESS

Your rental period encompasses (but is not limited to) unloading and loading, set up and clean up, decorating, catering and final clean up. Deliveries outside the rental period must be arranged with TSKW management two weeks before your event. Our TSKW site manager for the day is available to answer questions about the venue during the entire reservation period but he or she is not part of the set up or cleaning crew for the event. Clean up must be complete prior to the conclusion of the rental period or additional hours and charges may be added to your contract.

EXTRA ROOMS AND SPACE (BRIDE'S & GROOM'S ROOMS)

Additional rooms are available for your use depending on your needs. Two rooms are available for use on the 3rd floor (Design Lab & Kat in the Hat Classroom) and a small gallery on the 1st floor (Zabar Project Gallery). Please note that the classrooms on the 3rd floor can be provided complimentary if they are not being used for another event, class or project. To ensure they are available during your event you will need to check availability and reserve the rooms with your initial booking. Please ensure that your guests respect the property of our artists and students that also use these rooms.

SET UP & CLEAN UP

You will need to make your own arrangements for Loading/unloading and all your setup/cleanup necessary for your event. TSKW can provide complimentary items from our inventory list. A list of what is available can be found below under "furnishings" and in the rental packet. TSKW will include the setup and cleanup of the complimentary equipment listed to your specifications. For us to assist with such setup we will need a detailed description and layout 2 weeks prior to your event. All decorations, food, flowers, props, boxes and trash must be removed from the site by the end of your rental period. Trash cans and recycling bins are available for your use outside behind the building. The TSKW site manager will show you the location of the trash and recycling containers.

CATERING

You may choose your own caterer or do self-catering using your family and friends. Our kitchen is on the 3rd floor and is for staging only - it is not a commercial kitchen so NO cooking can be done on site. It has a sink, microwave oven and refrigerator. Please be aware that there is no dishwasher or garbage disposal in the sink, and grease should not be poured down the drain. The caterer or

person responsible for food should contact the site management with any additional questions. TSKW does not provide any catering staff.

ALCOHOL & BAR SERVICE

You may provide your own beverages (alcohol and non-alcoholic) for your event. Please be sure to provide everything for your bar and beverage services including ice, bartenders and bussing staff. TSKW does not include setup and cleanup of such services, however, bar packages and services can be purchased from TSKW and added to your rental contract. Please refer to the rental guide for bar service options. The TSKW bar on the 2nd floor and Hugh's View Bar on the 4th floor can NOT be used unless you are booking bar services from TSKW. Please note that the ice maker on the 3rd floor kitchen is reserved for TSKW events only and cannot be used for your event.

Practical capacity depends upon the design of your event and layout, but for max capacity you will need to limit the locations rented to the following capacity. Helmerich Theatre/Hall 200, Hugh's View 60, Sanger Gallery 60, Design Lab 30, Kat in the Hat Classroom 30.

Please incorporate the art displayed throughout the building during your rental period into your event theme. Please note that any damages to the artwork may result in the purchase of the artwork by the clients booked on the contract.

DECORATIONS

Decorations or signage may not be attached to the walls, ceilings, windows or doors with any kind of fastener such as adhesive hooks, adhesive putty, staples, tacks, pins, nails, tapes, etc. Only blue painter's tape may be used with advanced approval from the management. In the Sanger Gallery and Helmerich Theatre permanent hooks are installed in the ceiling and can be used to suspend light weight decorations & strings of lights. If you plan to open the shades in any of the spaces please ask the site manager for assistance. Candles must be in steady holders that contain the flame and the wax. Use and placement of candles must be pre-approved by TSKW management. Tables, chairs and all other floor equipment must be carried or rolled (not dragged) to prevent damage to the floor. Gaffer's tape may be used to secure cords to the floor with permission from TSKW management, but all tape and adhesive residue must be removed completely within the reservation period, or there will be a charge against the cleaning deposit.
